

THE JENZABAR FOUNDATION

Grant Application

The purpose of this application is to begin a dialog with The Jenzabar Foundation to determine if a Foundation grant can assist your organization in furthering its goals. While The Jenzabar Foundation is focused primarily on grant-making that supports its mission, The Foundation will entertain proposals that serve broader interests in the areas of education and social welfare.

- Student Service Activity Grant Technology Grant Other Grant

Institution/Organization name: _____

Address: _____

Web site: _____

Contact name: _____

Contact title: _____

Contact information

Phone: _____

Email: _____

Please attach a brief description of your organization, followed by a description of the operational area(s) that you believe could benefit from funding support through The Jenzabar Foundation.

If the proposal is for a Student Service Activity Grant, please provide a description of the club or activity for which you are seeking funding, including past projects or activities and current or future projects or activities for which funding is needed.

If the proposal is for a Technology Grant, please provide a write-up of the project for which you are seeking funding with expected results. Also, please provide description of the technology topography relative to your organization (please include an IT infrastructure diagram and inventory if available).

Please provide an indication of the funding level you are seeking, a budget and a description of how funds will be used.

Supporting documentation (please forward with application):

Copy of strategic plan (if available), or list of key strategic goals in order of importance to the organization

Copy of accreditation and/or non-profit status documentation

Representative copies of the organization's promotional materials.

Please forward the completed application to The Jenzabar Foundation.

Email to: info@thejenzabarfoundation.org, or

Fax to: 617.492.9081; Attn: Jenzabar Foundation, or

Postal mail to: The Jenzabar Foundation, Prudential Center, 800 Boylston Street, Floor 35, Boston, MA 02199

This information will be reviewed by The Foundation's advisory committee and the requestor will be informed of the Foundation's response and/or any additional requirements necessary to complete the grant process.

Any questions about this application or for further information about The Jenzabar Foundation please contact John Beahm, 617.492.9099 ext. 512, or john.beahm@thejenzabarfoundation.org
